Subject: Completed My Voigt Pipes Today Posted by FredT300B on Wed, 14 Jul 2004 17:15:34 GMT View Forum Message <> Reply to Message

I completed them this afternoon and they are playing now, driven by my Bottlehead Paramours. Not bad sounding at all! The midrange is a bit ragged but the bass is much stronger than I anticipated. Photos documenting the construction process are at http://fredt300b.smugmug.com/gallery/147575
