Subject: Re: correction filter for Fostex fe206e in a Jeriko Posted by akhilesh on Sat, 08 Jan 2005 19:07:27 GMT View Forum Message <> Reply to Message

HI KAne,Look for tweeters on www.parts-express.com. They have Vifa dome tweeters. One is \$25-\$27, with eff of 95 db and freq ext till 30Khz. I have used that successfully. It has a sealed back, so no cabinet needed. thanx and keep us posted! -akhilesh
