Every one of those that you mentioned are highly respected in the single driver community. I know it's a bit of a drive, but you might make a little vacation trip to Tulsa one weekend for the next Great Plains audio club meeting, which will probably be in a month or month and a half. Several of us here have various loudspeakers, and some of those are single driver speakers. You'd be able to hear Voigt pipes, Martin King quarter-wave pipes and a pair of David Dick's bass-reflex cabinets. Bob Brines is in Arkansas, so maybe we could talk him into coming. For that matter, we might be able to get David Dicks to come down from St. Louis too. Something to think about. Seems there are a lot of us within a days drive. Here are writeups of some of the previous meetings: February 12, 2005 Great Plains Audio Club February 5, 2005 Great Plains Audio Club November 13, 2004 Great Plains Audio Club September 25, 2004 Great Plains Audio Club July 10, 2004 Great Plains Audio Club April 3, 2004 Great Plains Audio Club January 10, 2004 Great Plains Audio Club November 8, 2003 Great Plains Audio Club September 6, 2003 Great Plains Audio Club
