Subject: Re: Initial imprssion of the Audio Nirvana 6,5 Posted by ronbrady on Sun, 05 Jun 2005 13:08:48 GMT View Forum Message <> Reply to Message

Hi BobNice write-up on the AN driver. I'm sure that the molded magnet is much less expensive than the machined ceramic but it could have an advantage over the ceramic in that the elastic properties of the material would tend to damp the resonance of the stamped steel basket.Just a thought.Ron Brady
