Subject: Re: Cyburgs Needle with FRS 8 Posted by jemraid on Thu, 16 Jun 2005 19:22:35 GMT View Forum Message <> Reply to Message

Dear Gar, Thanks for the comment, nice of you to say so, I must say that I get a great deal of satisfaction from these, quart out of a pint pot type speakers. It was an easy project to complete, now I've finished most of the woodwork I can tidy up my printing room, go back to my etching and listen to nice music whilst I think about my images.Regards - Jem
