New scuttlebut is that Adire has a new full range for pre-ordercalled the Extremis 6s.I haven't seen any previous discussion on it. Perhaps someopinion can be generated here.After a few links that didn't work I found the specs:Fs 30 HzQms 2.54Qes .383Qts .332Vas 33.2 litersSPL 86 dB @ 1W, 1mPower 100W RMS/300W PeakBL 9 N/AXmax 13mm one waySd 140 cm2Vd 364 cm^3Le 0.13 mHRe 7.02 Ohms
