Got the Lowther EX-2 installed in King BR cabinets and am having a blast---I thought I was getting DX-2's and had them a month before my engaged the small print on the ffront of the driver (Duh!) Still, they make pretty nice bass and are great top end ----still may "tinker" with that parallel cap as there might be a tad bit "shout" but plan to enjoy for the time being !!! Cassandra Wilson is the berries!!!! Jim (Thanks to Mr King on helping with the port specs too!)
