Subject: Re: Fostex SP11 MK II speakers Posted by Crazy Dave on Mon, 24 Apr 2006 01:34:00 GMT View Forum Message <> Reply to Message

Your thoughts were similar to mine. The M&K is a powered sub with an active crossover. I do have a Dynaco ST-35 amp that might work well with it, as well as some good sand amps. I'm a vintage collector. It's too bad that nobody seems to know about the drivers. I give these speakers a flogging and post back. I just could not leave it behind for the price.Dave
