Yes; you now have to resort to subterfuge. Wait until he isn't home and wave some cash at her. Everyone thinks they are so slick with this E-Bay crap. Let them have this old junk stuff and when the last guy is stuck with it all we can snicker at him. I tell anyone upfront; did you check E-Bay and are you now asking the highest price you saw on the site? Because if so; tell me now and don't waste my time.
