HI Folks, Even though I am not going to get a room at the hotel, I can bring along the DCA drivers in PAWO horn, if there is interest from folk. I'll need some kindly soul to set them up in their room (could be part of the time). So if anyone is coming to LSAF, has a hotel room, please let me know. We'll also need a decent amp & a cdplayer/ipod source: we should be able to rustle those up. The room is the main issue I think...do let me know if anyone can help. -akhilesh
