Very nice, Fred! Thanks for posting the links!With that long of a line, I would expect bass to be decent. Are those little 4" drivers?What kind of finish are you planning? Will they be veneered or painted? Or is John going to take them and have the finish applied himself?http://www.6moons.com/audioreviews/zigmahornet/zigmahornet.htmlhttp://fredt300b.smugmug.com/gallery/132721/3/206818126#206818126
