Wayne or anyone. Any idea why there are not a lot of sign ups for the VTV Expo and the Tube School? Is it because of the economy? Am I charging too much? Are people just not interested? I would like to get some feedback from anyone. I am weighing the pros and cons of holding this type of event, because If I cannot make a profit after all the time and effort I spend, what is the point? Are people holding back to see if it will be a success?ThanksCharlie
