I agree with you completely. No one wants a bully, and it isn't tolerated on ART. This messageboard is for beginners and experts alike. I personally don't like it when a person is made to feel stupid and so they don't participate. Mob rule is no way to run a place like this, at least not in my opinion. I'm not the moderator of the Array forum, but I do have the same concerns as you. I share your sentiments, 100%. That's really why I jumped in here. I was just hoping to help out a bit.
