I just finished with the LS-9's last week. They really turned out great. The 9's may be the best speakers I have ever listened to period. I can't wait for everyone to hear them. Here are some pics and general info: <http://www.audiocircle.com/circles/index.php?topic=41021.0>LS-6 listening feedback here: <http://www.audiocircle.com/circles/index.php?topic=34506.0> and here: <http://www.audiocircle.com/circles/index.php?topic=34820.0>LS-9's: <http://www.audiocircle.com/circles/index.php?topic=43531.0>LS-9's completed: <http://www.audiocircle.com/circles/index.php?topic=43853.0>Danny
