... not the usual search, so please don't suggest the usual suspects (e.g., Grados or multi-hundred dollar Sennheisers). My son has a pair of Radio Shack 'Rock n Roll Hall of Fame' phones that he quite likes. Unfortunately, they were damaged beyond good repair in an unfortunate incident (not his fault). He'd like to find a replacement pair of fullsize sealed cup phones with a single, coiled cord (like the R/S phones). I'd like to find something in the \$50-ish price range. We'd both like them to sound good, but in fact they don't have to sound any better than the R/S phones (which I thought were a little bass-heavy and rolled off at the top for my taste). Any suggestions? Any
