HI Wayne,I know we usually have it on asaturday, but the last time we met, remeber we decided Dec 16? I posted it as the 16th,and then later realized it would baa Friday, but it was too late to change. Anyways, since 17th is my b'day, i think it;s good to make an exception this time and keep it on Friday, as announced. We'll stat at 2 pm, but if people need to come later they can, since it's a Friday. -akhilesh
