Subject: Re: Crossover Electronics 101 Posted by akhilesh on Fri, 02 Feb 2007 13:25:31 GMT View Forum Message <> Reply to Message

Thnaks Wayne. So it seems the impedance of the drivers at the frequnecies in question is sufficient, and adding the series padding resistor to the impedance of the tweeter will work. This will limit the number of crossover parts one needs to buy. -akhilesh
