Subject: Airline 62-215 console Posted by Mike H. on Wed, 19 Sep 2007 21:28:24 GMT View Forum Message <> Reply to Message

I have a Montgomery Wards Airline console radio that has a positive and a negative battery clips. The information sheet inside the radio reads: Model 62-215 7 tube 3 band "B" batteryless receiver. What does this mean?
