Hi Akhilesh, Let me know when you get your amp - I'd like to see it. I'm curious if it is like the models I owned. They were very good. Hey, are you still thinking about getting a turntable? I have a lot more albums than I do CD's. I only rarely buy CD's that I already have on vinyl, and many can't be purchased. I tend to buy new material on CD instead of buying something I already have. But not always, sometimes I buy the same CD I have on vinyl. Anyway, are you still thinking about getting a turntable? Wayne
