Subject: Marantz Esotec PM5 Posted by hpl on Sun, 06 Nov 2005 05:27:55 GMT View Forum Message <> Reply to Message

hi! i'm new here. i bought an old Marantz Esotec PM5 that gets really hot whether operating in class AB or A. i want to check its bias for proper setting but i don't have a service manual. all i need are the recommended bias values for left and right channels. thanks.
