Subject: Marantz 235 repair Posted by Jim Simpson on Sun, 04 Jun 2006 18:21:24 GMT View Forum Message <> Reply to Message

My trusty old tuner is having some problems with a couple of the knobs. I thought that the pots might be dirty and cleaned them but it didn't help. Does anyone know of a repair place that I can send it to?? There are none in my area that I know of.Thanks!
