Wayne: Thank you for this new Forum! I'll definitely post here and encourage others to do so. Would it be OK for a small, startup tube guitar amp company owner to plug his new product line here? I don't mean that he would spam the readership, but just include a link to his site in a post. I'll also use this opportunity to thank you for your generosity, in general. I certainly appreciate the technical information you share with the readers.
