Subject: solid state guitar amp wanna make a kzillion\$? Posted by hitsware on Wed, 15 Dec 2004 02:27:36 GMT View Forum Message <> Reply to Message

If someone could do a ss amp for guitar that 'sings' like a Marshal or Fender It would have to be used (and endorsed) by some big time playerSo much cheaper with 'ss' watts/\$ (cringe(thinking@\$))
