Subject: Re: Sears Silvertone Twin Twelve 1484 cabinet dimensions? Posted by borgward on Tue, 10 Apr 2007 02:22:25 GMT View Forum Message <> Reply to Message

I lost my cabinet, and need the dimensions as well.I burned the coils on the speakers (Please don't ask)That amp is great. Its great for small rooms. I plug my Stratocaster #0309 into both channels to get that early Marshall crunch w/o splitting anyones ear drums.I bought the amp from the original owner in 1974
