Subject: DN990r old MD recorder. error code showing, used purchase Posted by steve wells on Sat, 25 Mar 2006 17:05:07 GMT View Forum Message <> Reply to Message

anyone had experience of Denon 990r mini disc recorder. We got one off e-bay, hoping to record live gigs and play clients cues etc.....it only shows error codes and nothing more. seller has not responded, Denon neither (at time of writing)any ideas?steve
