You know our little museum has been looking for a sound setup and I think I have found one. Please tell me what you think of it. It's all Peavey. Peavey 500 series amp, 250 WPC Peavey 12 channel mixer 2- Peavey SP6G speakers Peavey PV-600 looks like a stand? They want 600.00 for it. Does this seem reasonable? She says they paid 3800.00 for it in 1996. Thanks for your help once again. Mike
