You know our little museum has been looking for a sound setup and I think I have found one. Please tell me what you think of it.It's all Peavey.Peavey 500 series amp, 250 WPCPeavey 12 channel mixer 2- Peavey SP6G speakersPeavey PV-600 looks like a stand?They want 600.00 for it. Does this seem reasonable? She says they paid 3800.00 for it in 1996. Thanks for your help once again.Mike
