I have a 65 Lemans convertible almost finished. End of this month. Rebuilt 326, Edlebrock 4bbl, 4spd overdrive tranny (for mileage), and a pile of bodywork and paint. Pretty much stock as it's my son's car and I didn't want it too hot. The duals make it sound like a 389 though. It takes 30 minutes to fill up with gas because every car guy pulls in and wants to talk. Wayne's car sounds as good as it looks. I was admiring it at the sub shootout.
