Subject: Re: Leslie-Type Spinning Speaker Systems? Posted by Wayne Parham on Tue, 08 May 2007 00:19:35 GMT View Forum Message <> Reply to Message

I don't know if it's this way everywhere, but in Tulsa, there are a suprising number of churches with Leslie speakers in storage. I grew up going to a church that had a pair in a loft that was used to project out into the congregation. They had upgraded organs and left the Leslie's there, disconnected. I know of two other churches that also have unused Leslie's that are collecting dust.
