The next Houston Audio Society meeting will be on Saturday, April1st, at my house in West Houston. Our guest presenter will be DaveStanard, President, Silver Circle Audio. Dave will discuss theSilver Circle Audio philosophy and demonstrate his company's 300Bsingle ended triode monoblock amplifiers, cables, and powerconditioner. The Siver Circle Audio web site is athttp://www.silvercircleaudio.com/We also plan to hear some HAS members' single ended triode (SET)amplifiers ranging in power from two to forty watts, includingmodels from such diverse companies as Bottlehead Corporation, AudioMirror, Cary Audio Design, Manley Laboratories, Sonic Frontiers, andDared Audio. HAS members who own a SET amplifier are invited tobring it to the meeting.The meeting will start as usual at 10:00AM, and we plan to have beerand soft drinks, with pizza arriving about noon. Audiophiles who arenot HAS members are especially welcome at our meetings - RSVP notnecessary - just come and join us.
