Subject: Cherry Stain and Tung Oil on my Foreplay Posted by newsjeff on Thu, 22 Jan 2004 23:57:46 GMT View Forum Message <> Reply to Message

I was hoping for some help in finishing my Foreplay base. I was wondering if anyone give me a few tips with using Cherry stain then applying Tung Oil. I would like to match my Foreplay with my cherry veneered Pi Theater 4 speakers. Any suggestions? Thanks in advance.
