Beep Beep (Little Nash Rambler)Beep beepBeep beepHis horn went beep beep beepWhile riding
in my CadillacWhat to my surpriseA little Nash Rambler was following meAbout one-third my
sizeThe guy must have wanted to pass me upAs he kept on tooting his horn!ll show him that a
Cadillacls not a car to scornI pushed my foot down to the floorTo give the guy the shakeBut the
little Nash Rambler stayed right behindHe still had on his brakeHe must have thought his car had
more gutsAs he kept on tooting his horn!ll show him that a Cadillacls not a car to scornMy car
went in to passing gearAnd we took off with gustAnd soon we were doing ninetyMust have left him
in the dustWhen I peeked in the mirror of my carI couldn't believe my eyesThe little Nash Rambler
was right behindYou'd think that guy could flyNow we're doing a hundred and tenIt certainly was a
raceFor a Rambler to pass a CaddyWould be a big disgraceThe guy must have wanted to pass
me upAs he kept on tooting his horn!ll show him that a Cadillacls not a car to scornNow we're
doing a hundred and twentyAs fast as I could goThe Rambler pulled alongside of meAs if we were
going slowThe fellow rolled his window downAnd yelled for me to hear"Hey buddy how can I get
this car out... of... second gear!"
