Subject: Re: Quick poll: what would you veneer with out of these? Posted by wunhuanglo on Mon, 16 Aug 2004 01:56:01 GMT View Forum Message <> Reply to Message

There's a guy who used to post all kinds of pictures of furniture he built with Jarrah at alt.binaries.pictures.woodworking. I don't remember if he's from Oz or NZ, but it was some of the most beautiful stuff I ever saw.I'd go with the Jarrah, period.
