## Again, Check out Harbor Freight

(http://www.harborfreight.com/cpi/ctaf/Displayitem.taf?itemnumber=44506) for a pretty inexpensive drill press. If there's one in your area, be sure to sign up on line for discount coupons (5% for \$50 and 10% over \$100.) Also, I would check out the local paper for deals or garage sales. Drill presses are pretty easy to come by, and I think it would save you a world of frustration.....Colin
