No problem. I cant really order anything from the states,even though our dollar is so high,the shipping would be ~ 100$ ontop of the 250$ US price..too much,i paid 600$NZ for my 2226 and i cant use it on a horn..I dont think that was my real ip ;-) its kinda funny tho.my most fun spam letter is about the foreign guy wanting you to help him out and transfer some money for him and in return you get 1 million :PConsidering i have
