Subject: RCRC values Posted by colinhester on Sun, 23 Jan 2005 03:19:23 GMT View Forum Message <> Reply to Message

Yeah, I remember the Radio Shack TX now. What RCRC values to go with. Sorry to be a PITA, but I'm trying real hard to get my orders together. Do you need the ND2540s? If so, send me your full name and mailing address, and I'll have them sent out gratis.....Colin
