It's on the first page of Mouser's trimmer section. on page 417.500R 1W.PN 594-70Y501It's a bit on the 'sensive side, and a 0.5 Watt will do, even a 0.25 will be fine. right below it are the 20 turn model 434P at ~1/3 the price.regards,Douglas
