I think you missed the point. I am not in some sort of competition with you. No interest at all in that sort of thing. Your stuff just happens to be easiest to get hold of. Add this to your reaction, and I'm sure I'm going to find something interesting. What it is, I could only guess. I will know soon enough, and then so will everybody else. Maybe you wind perfect stuff, and there will be no suprise. I do truly doubt that, given your reaction.....:)You started this fight, and since I refused to back down, and took part in ridiculing your position in public, you've been as behaving like this. Behave yourself better, this is not RAT, and I am not Jute(though there are plenty of parallels in your reaction, and behaviour).cheers,Douglas
