Hey-Hey!!!,I am not sure what you mean by 'vanes'.anyway...1.375 throat.Conical section, 19" axial length8 petals to approximate the cone, 13 mm, 11-ply birch?35-degree included angle/flare, maybe 40Mating to two-bolt old RCA compression driver. Throat terminated in the mounting plate, perhaps 1/4" copper? no special throat section.cheers,Douglas
