Hi DamirI have just discovered this thread and forum. I have stumbled across the concept of driving a 300b with a pentode.2 questions If I may.1. Where would i get the 1700 H grid choke? What specs2. I have the iron for a parallel 300b set ca this driver stage be suitably modified to drive that or do I just use 2 of the 6688 driver stages?ThanksNick
