Have you spoken with George Duemm? I'll betcha he can do something with you. He might want them himself, or he might be able to sort of broker them. Then again, I'm just guessing, and you'd really need to talk to him.$1.00 a piece is really a steal. I know it's a lot of work to list them, but I'll bet you could get your target $2500.00 with the first 50 to 200 one-off's sold by listing the best ones. You'd still have the space problem, but it would be a start.Just a thought.
