pair of psd3003 -> \$300 . they have maybe 20 hours on them at most. They've been sitting for a year attached as pictured. pair of JBL 2360A horns. -> \$400shipping from k1n1g7  
ottawa, on craig may consider trades for SET or small tube amp to drive my altec duplex 604a's  
may deliver within reasonable distance.
