In for a penny, in for a pound. I'm in. I like the committee concept. I will be honored to be a part of the "team". I would like to talk with Wayne and Fred privately, of course. My daughter is expecting her first baby in December, in Florida. And (just in case) a group, rather than one person, helping organize sounds like a sane approach. I've already emailed key members of the Dallas Audio Club and close friends a link to this post. Let the preparations begin. The Dallas Audio Club will have a room, of course
