I have a pair of Lowther DX3 full range speakers for sale in excellent condition. They are the newer style cones with very low hours. Asking \$700.00 plus shipping. Located in Tulsa if you can pick up locally it is preferred. If picking up locally I also have some nice folded horn cabinets that would go with the Lowthers for the asking price. I purchased these from Jim Denton off this board. Completely revamping my system and these are not needed anymore. Mark
