The next meeting of the Lone Star Bottleheads will be in Houston on July 22, starting at 11:00 am and ending about 5:00. We'll have the usual collection of tubes, solid state, chip amps, diy, built-from-a-kit, store bought, etc. Bring your favorite audio toys so we can see and hear them. We'll order pizza for lunch, so don't eat on the way. First timer visitors are especially welcome at our meetings. Follow the link below for directions and pictures from our past meetings.
