Subject: Opinions, anyone? Posted by Wayne Parham on Sun, 14 Oct 2001 00:29:22 GMT View Forum Message <> Reply to Message

Lots of people here are running low power SET and Pi Speakers. If you have two good corners, use six Pi or seven Pi cornerhorns. If not, use one of the smaller models. I'm a bit biased as you can understand, but I don't think you can find better speakers.
