Wayne and all, Beautiful new site, , real tasteful. Nice shirt, cuter than a chinese baby. Cleaning out my VHS tapes and found an old tape of John Lee Hooker playing with Charlie Musslewhite and Bonnie Raitt, I wish I knew how to restore old VHS onto CDR cause this is one great tape, forgot all about it nice surprise. Looks like DCC Vinyl has re-released Easy Rider with some alternate takes, there goes another 20 bucks! If you wanna be a bird! Anybody check out Vanishing Point yet?
