Let me see now, two 2226J's in a box for 220.21 (i.e. 4648A-8 on blow out sale), or single 2226J-B's stocks at 340 each on the b stock sale? Hope my wife doesn't kill me...two 4648A-8 cabinets are ON THE WAY...yeeehawww. Wayne, now my 511's will have some nice stands, eh. Dual, dual 2226's should hold up the bottom end well enough. Pinch me, I'm dreaming. Sam
