Subject: are you sure you ordered a 4648? Posted by Sam P. on Wed, 19 Dec 2001 11:09:45 GMT View Forum Message <> Reply to Message

Till, The ones I ordered are the 4648A-8, using a pair of 16 ohm 2226J's. The 4638 enclosure has the pair of 8 ohm 2035's. Check your form confirmation to see what is on it, to be sure. Sam
