Yeah, that's what I thought! I just have to find the time! First comes the theater 4's, Then the Paramours, and amongst all this is squeezing in time to change diapers and run the kids here and there and even put in some time at work!? Oh yes, I forgot to mention my wife?!? The fabrication does not really look too involved; I'd approach it just like you said, right down to the doohickey!Garland
